

March 13, 2020
EFFECTIVE IMMEDIATELY

To Lessen the potential for exposure to possible COVID-19, public use of the fire house and social hall is temporarily suspended through March 29, 2020. This includes all non-first responder activities, such as private parties, community organization meetings and gatherings. Family members not on an official first responder duty are also temporarily restricted.

Official first responder meetings and drills will continue as scheduled. First responders are advised to take necessary precautions and follow current SOPs regarding response and PPE as directed by the Fire Chief.

Employees and district contractors are permitted in their performance of their duties and should take necessary personal hygiene precautions regarding the COVID-19.

This temporary suspension may be extended or shortened as may be warranted.
